The Magic Numbers, Love's A Game

Oh maybe I think, maybe I don't Maybe I will, maybe I won't Find my way this time I hear you calling me soon

One of these days Somebody stays and somebody pays It happens all the time I'll be leaving, believing you wanted me to

Maybe I'm a fool For walking in line Maybe I should try to lead this time I'm an honest mistake that you make Did you mean to? Did you mean Did you mean

Love is just a game Broken all the same And I will get over you Love is just a lie Happens all the time Swear I know this much is true

And they collared you up And collared you down And coloured you in And I've been waiting so long To take you home

And maybe I think, maybe I don't Maybe I will, maybe I won't Find my way tonight But I hear you calling me soon

Maybe I'm a fool For walking in line Maybe I should try to lead this time I'm an honest mistake that you make Did you mean to? Did you mean Did you mean

Love is just a game Broken all the same And I will get over you Love is just a lie Happens all the time Swear I know this much is true

Maybe I'm a fool For walking in line Maybe I should try to lead this time I'm an honest mistake that you made Did you mean to? Did you mean Did you mean

Love is just a game Broken all the same And I will get over you Love is just a lie Happens all the time Swear I know this much is true
