

# The Magnetic Fields, Absolutely Cuckoo

Don't fall in love with me yet  
We only recently met  
True I'm in love with you, but  
You might decide I'm a nut  
Give me a week or two to  
Go absolutley cuckoo  
Then when you see your error,  
Then you can flee in terror  
Like everybody else does  
I only tell you this cause  
I'm easy to get rid of  
But not if you fall in love  
Know now that I'm on the make  
And if you make a mistake  
My heart will certainly break  
I'll have to jump in a lake  
And all my friends will blame you  
There's no telling what they'll do  
It's only fair to tell you  
I'm absolutely cuckoo
