

# The Magnetic Fields, Fido, Your Leash Is Too Long

Fido, your leash is too long  
You go where you don't belong  
You've been digging in the rubble  
Gettin' bitches in trouble  
Fido, your leash is too long

Fido, your leash is too long  
I don't know where I went wrong  
You scare me out of my wits  
When you do that Shitzhu  
Fido, your leash is too long

Fido, you've gone far enough  
I must have all of your love  
You just run out of luck  
I don't care what you foxhounds  
Do, but your leash is too long
