

# The Mamas & The Papas, Dedicated To The One

While I'm far away from you, my baby  
I know it's hard for you, my baby  
Because it's hard for me, my baby  
And the darkest hour is just before dawn

Each night before you go to bed, my baby  
Whisper a little prayer for me, my baby, yeah  
And tell all the stars above  
This is dedicated to the one I love

Life can never be  
Exactly like we want it to be  
I could be satisfied  
Knowing you love me  
If there's one thing I want you to do  
Especially for me  
And it's something that everybody needs

While I'm far away from you, my baby  
Whisper a little prayer for me, my baby, yeah  
Because it's hard for me, my baby  
And the darkest hour is just before dawn

If there's one thing I want you to do  
Especially for me  
And it's something that everybody needs

Each night before you go to bed, my baby  
Whisper a little prayer for me, my baby, yeah  
And tell all the stars above  
This is dedicated to the one I love

This is dedicated to the one I love  
This is dedicated to the one I love  
This is dedicated to the one I love
