

# The Manhattan Transfer, Hot Fun In The Summe

Hot fun in the summertime  
Hot fun in the summertime  
Hot fun in the summertime  
Hot fun in the summertime

End of the spring  
And here she comes back  
Hi hi hi hi there  
Well, summer days  
Those summer days  
I'd lie down when I want to  
Out of school  
County fair in the country sun  
And everything is cool

(Repeat Chorus)

That's when I had most of my fun back  
Hi hi hi hi there  
Well, summer days  
Those summer days

(Repeat Bridge)

(Repeat Chorus)
