

# The Manhattan Transfer, Smile Again

Endless nights  
I'd play solitaire  
Imagining that you were here  
One night flights  
Such heartless affairs  
They froze the hopes of love in me  
You suddenly appeared  
Melted all my fears  
Filled me with the love I need

You make me smile again  
Like a child of three  
And I believe it will turn out right baby  
Oh you make me smile again  
Hold me in your arms  
Oh love, my love

Heart to heart  
Our souls intertwine  
Make love and float away with me  
Twins of flame  
A love so divine  
I want to spend my life around you  
Now, now I have the strength  
Now I have the hopes  
You give me all I need

To make me smile again  
Like a child of three  
And I believe it will work out right  
Oh you make me smile again  
Hold me in your arms  
Oh love, my love

You make me smile again  
Like a child of three  
Oh I believe we'll live a dream for two  
Oh you make me smile again  
Hold me in your arms  
Oh love, my love
