

# The Manhattan Transfer, Snowfall

Lyrics by Ruth Thornhill Music by Claude Thornhill

Snowfall  
Softly  
Gently drift down

Snowflakes  
Whisper  
'Neath my window

Covering trees  
Misty lights  
Velvet breeze  
'Round my doorstep

Gently  
Softly  
Silent  
Snowfall

Covering trees  
Misty lights  
Velvet breezes  
'Neath my window

Gently  
And softly  
Silent  
Snowfall

Drift down  
Drift down  
Drift down  
Snowfall
