

# The Manhattan Transfer, Sugar (That Sugar Baby

(M. Pinkard / S. Mitchell / F. Alexander)

Sugar, I call my baby my sugar  
I never maybe my sugar  
That sugar baby of mine  
He's special ration  
Funny, he never asks for my money  
All I give him is honey  
And that he can spend anytime

I'd make a million trips to lips  
If I were a bee  
Because he's sweeter than chocolate candy to me  
He's confectionary

Sugar, I never cheat on my Sugar  
Cause I'm too sweet on my Sugar  
That sugar baby of mine
