

The Mavericks, If You Only Knew

(Raul Malo, Kostas)

You wouldn't walk away so proud and tall
If you knew how I wanted you at all
I can't hide it anymore because it's true
If you only knew who's in love with you

Well I dream about you every night and day
And all the sweet things that I'd like to say
But darlin' you don't even have a clue
If you only knew who's in love with you

Chorus 1

It feels like my heart skips a beat
Whenever you are near
And everytime you walk away
Well I wish that you were here

Chorus 2

Well I know that there's a lot of other guys
Who will promise you the world with all their lies
But I'm the only one who's feeling blue
If you only knew who's in love with you

Repeat chorus 1

Repeat chorus 2

But I'm the only one who's feeling blue
If you only knew who's in love with you
If you only knew who's in love with you
If you only knew who's in love with you
