

The Michael Gungor Band, :You Alone

Words and music by Rob Gungor, David Gungor, Michael Rossback, John Arndt, Lisa Gungor and

You gave Your life
In place of mine
Called me your own
You brought me to life

Now my life's not my life
It belongs to You
I belong to You
You, You alone
You are worthy of all my praise
You, You alone
You are the One I live for

Left on my own I'd never know
The beauty at hand or see the story unfold
How you brought us to life now
Your life is our life
We are one in you
We belong to you

You, You alone
You are worthy of all our praise
You, you alone
You are the one we live for

I am not my own
I'm Yours alone
