

# The Milk, Every Time We Fight

A just opinion

I have decided to lay down my feels with the \_\_\_\_ to broke

We like the future

Change is coming

What you gonna do?

Do you remember

We were young and sober?

Dirty pavements were the happiest soul

Kiss face cover hurting one another

What we gonna do?

Every time we fight

We get a little stronger

Any time we lose

We gonna lose control

/2x

What do \_\_\_\_ ?

Change is coming

Is how you left me feeling

What you gonna do about it?

Every time we fight

We get a little stronger

Any time we lose

We gonna lose control

/2x

What you gonna do about it? /5x

Every time we fight

We get a little stronger
