

# The Mission, Lose Myself In You

When you touch me you save my life  
I don't need redemption I don't want christ  
All I've ever needed, all I've ever wanted is you  
So hey baby rae you can elevate me  
You can raise me up, you can make me see  
The wonder and the innocence in everything  
Little thing you do  
I wanna lose myself, lose myself in you

When I look into your baby blue eyes  
I can see the ocean, I can see the skies  
I can see the sun and the moon and the  
History of the world

You are the beacon, the guiding light  
You are the hand that leads me through the  
Night, you are the heaven's most beautiful and  
Brightest star  
I wanna lose myself, lose myself in you

I never knew I could feel like this  
I never knew I could feel this way again  
I never knew it could be like this  
I never knew I could feel this way again  
So believe in me cos I believe in you  
Yes, I believe in you  
I wanna lose myself, lose myself in you
