

The Moffatts, Crazy

Life is such a funny thing
You never know what it'll bring
You know I'm just takin' it day by day
For you it comes so easily
For me it's just another fantasy
Cause nothing, nothing ever comes my way
I see you there, I watch you fly
If I could be you, I would touch the sky
But here I am, and there you are
Don't you know it's driving me
So crazy

I think I'm going crazy, can't take it anymore
Got one thing on my mind all the time
And it's driving me crazy, I think I'm going crazy
And I don't know what I'm doing
I just can't take your grace in my face
Cause it's driving me crazy

You do what you wanna do
Everybody wants to be with you
It's something that I just don't understand
I don't believe you know what you got
And that's what puts me over the top,
I'm running I'm runnin' just as fast as I can
I see you there, I watch you fly
If I could be you I would touch the sky
But here I am, and there you are
Don't you know it's driving me
So crazy

I think I'm going crazy, can't take it anymore
Got one thing on my mind all the time
And it's driving me crazy, I think I'm going crazy
And I don't know what I'm doing
I just can't take your grace in my face
Cause it's driving me crazy
