

# The Moffatts, Raining in My Mind

Since November  
I've been waiting for your sunrays to break through  
How I wish that I could hold you  
'Cause I need you  
I hope this storm's just passing through

I remember  
When your eyes and the skies  
Always shined so blue  
Now every time that we're together  
It just seems like there is  
Nothing I can do

So I'm playing the waiting game (still waiting)  
And all I see is rain (Still raining)  
Rain, rain, rain

I don't know if you'll ever change  
You've been raining since December  
I guess it hasn't been all that long  
But it seems like it's been forever.  
I can't stop it from pouring down  
'Cause you're just like the weather  
But I'll be just fine  
'Cause I know you'll shine  
And until that time  
You'll still be raining in my mind  
(Raining in my mind)

When I'm dreaming  
Every thing is shaded black or white  
Whatever happened to the colors  
They've been washed away  
By the rain inside my life

So I'm playing the waiting game (still waiting)  
And all I see is rain (Still raining)  
Rain, rain, rain

I don't know if you'll ever change  
You've been raining since December  
I guess it hasn't been all that long  
But it seems like it's been forever.  
I can't stop it from pouring down  
'Cause you're just like the weather  
But I'll be just fine  
'Cause I know you'll shine  
And until that time  
You'll still be raining in my mind  
(Raining in my mind)
