

# The Moffatts, We Are Young

Do you remember me, cause I remember you  
I was a little scared  
I never knew what I could do  
It was like a light  
In the middle of the night when I realized  
That fear was something I could lose  
I'll never turn around anymore

Chorus

We are young, we are free  
You can run away with me  
We are young, we are free  
If you only believe  
That everything is not so faraway  
We are young, we are young, forever  
Everywhere to go, everything to see  
If you want to know  
Just take my hand and come with me  
Just another day, living my own way  
If you take a chance  
Then you'll have your fantasy  
I'll never turn around, anymore

Chorus

If you don't believe In all of your dreams  
Then your fear will never go away  
If you open your eyes I know you will see  
That we're young and we are free  
Chorus
