

# The Moffatts, Wild at Heart

I don't like sitting around  
I don't like beating the ground  
I wanna hear the sound  
Of me and you just runnin' around

I'm gonna make it, I'm gonna break it  
I'm gonna fly in the sky  
Everywhere that I go

I wanna be wild, I wanna be wild  
I wanna be wild, wild at heart

I never think about when  
I only think about where  
There's nothing I wouldn't do  
So don't tell me about any rules

I'm gonna make it, I'm gonna break it  
I'm gonna fly in the sky  
Everywhere that I go

I wanna be wild, I wanna be wild  
I wanna be wild, wild at heart

I don't like sitting around  
I don't like beating the ground  
I'm gonna fly in the sky  
Everywhere that I go
