## The Moffatts, You Make Me Feel

Wake up at six
To watch te news
I feel so low
Don't know what to do

Slip on my shoes Slick back my hair I feel so bare Without you Without you

Step out the door To greet the night Without my love To drown the noise

Light up a smoke My lungs fill up I'm so abused Without you Without you

chours
You make me feel
Like anything is possible
When I'm inside of you
I'm inside of you

Slip on the bus
To a shoulder rub
I catch her eyes
She's completely drunk
She licks her lip
Pulls back her dress
And says "I'm yours"
How about now?
How about now?

## chours

When I'm lost Inside the world You're so naive To control I try so hard Still I'm cold Still I'm cold

## chours

You make me feel You make me feel You make me feel
