

The Monkees, California Here It Comes

"The End... The End... The End... The End... The End... The End..."

California here it comes
Right back where it started from

"The End... The End..."

Oh yes, oh yes, this is the end, this is the living end!

"The End..."

Oh, the joint is really going to rock tonight!

"It's going to ROCK!"

???

Californ-Californ-Californ-Californ-Californ-Californ-
Here it comes!
