

# The Monkees, Magnolia Simms

By Michael Nesmith

Love to me is blue-eyed and blonde.  
Oh, that's sweet Magnolia.  
Apple pie on the window still warm.  
That's my sweet Magnolia

Walking under a sky that's so blue  
After rain has fallen.  
When she's walking so close by my side  
My troubles seem to just run and hide.

(la-dee, da-dum, etc.)

Well, walking under a sky that's so blue  
After rain has fallen.  
When she's walking so close by my side  
My troubles seem to just run and hide.

Magnolia Simms is my little doll.  
I can't live without her.  
For if she goes my world will just fall.  
Stay with me, Magnolia.  
(Sound of record skipping)  
Stay with me, Magnolia.
