

# The Moody Blues, Emily's Song

Lovely to know the warmth  
Your smile can bring to me  
I want to tell you but the words you do not know

Sing me a lullaby  
Of songs you cannot write  
And I will listen for there's beauty where there's love

And in the morning of my life  
And in the evening of my day  
I will try to understand in what you say...

Rivers of endless tides  
Have passed beneath my feet  
And all too soon they had me standing on my own

Then when my eyes were closed  
You opened them for me  
And now we journey through our lives to what will be

And in the morning of my life  
And in the evening of my day  
I will try to understand in what you say

Through all that life can give to you  
Only true love will see you through  
And will stand beside you now in what you say

And in the morning of my life  
And in the evening of my day  
I will try to understand in what you say

Take me into your world  
Alone I cannot go  
For I've been here so long  
You're leaving me behind

Walk with me now  
Into your land of fairy tales  
And open up that book of pages in my mind  
And open up that book of ages in my mind  
And open up that book of pages in my mind  
And open up that book of ages in my mind
