

The Moody Blues, I've Got A Dream

I've got a dream
And, every night, I said to myself,
Yeah, I said I gotta share it,
Share the dream with somebody else.
We could make a beautiful day,
Oh baby, it's a beautiful dream
But what am I going to do with it, baby?
Say, what am I going to do with it, baby?
What am I going to do with it, baby,
Well if I can't share it with you?

I got some love
And, baby, it's the kind that will do.
Yeah, I got a kiss
And give it to someone like you.
The moon is shining up above
And I got a heartful of love

But what am I going to do with it, baby?
Say, what am I going to do with it, baby?
What am I going to do with it, baby,
But if I can't give it to you?

I can't throw it in the river
And I can't toss it in the sea
And I can't put it in a paper bag
So, baby, come and get it from me.

I've got a dream
And, every night, I said to myself,
Yeah, I said I gotta share it,
Share the dream with somebody else.
We could make a beautiful day,
Oh baby, it's a beautiful dream

But what am I going to do with it, baby?
Say, what am I going to do with it, baby?
What am I going to do with it, baby,
But if I can't share it...
But if I can't share it...
Well if I can't share it with you?
