

The Moody Blues, Words You Say

Words you say to me
I listen in sympathy
But I don't know what it is
That makes me ignore you.

I hear you every night
I listen but the words
Don't seem right
My mind seems somewhere else
What else can I tell you?

I don't know what to do
I'm losing you
Something I can't control
You are in my heart and soul.

I don't want to wake up now
I don't want to wake up now
I don't want to wake up now
I don't want to wake up now.

Words you say to me
I'm living in fantasy
If I don't know what it is
I simply ignore you.

I hear you every night
I listen but the time is never right
My life is so confused
What more can I tell you?

Don't turn and walk away
Don't leave this way
Something I can't control
You are in my heart and soul.

I don't want to wake up now
I don't want to wake up now
I don't want to wake up now
I don't want to wake up now.
