## The Moody Blues, Words You Say

Words you say to me I listen in sympathy But I don't know what it is That makes me ignore you.

I hear you every night
I listen but the words
Don't seem right
My mind seems somewhere else
What else can I tell you?

I don't know what to do I'm losing you Something I can't control You are in my heart and soul.

I don't want to wake up now I don't want to wake up now I don't want to wake up now I don't want to wake up now.

Words you say to me I'm living in fantasy If I don't know what it is I simply ignore you.

I hear you every night
I listen but the time is never right
My life is so confused
What more can I tell you?

Don't turn and walk away Don't leave this way Something I can't control You are in my heart and soul.

I don't want to wake up now I don't want to wake up now I don't want to wake up now I don't want to wake up now.
