

The Moody Blues, You And Me

There's a leafless tree in Asia
Under the sun there's a homeless man,
There's a forest fire in the valley,
Where the story all began.

What will be our last thought?
Do you think it's coming soon?
Will it be of comfort,
Or the pain of a burning wound.

All we are trying to say is
We are all we've got
You and me just cannot fail
If we never ever stop.

You're an ocean full of faces,
And you know that we believe
We're just a wave that drifts around you,
Singing all our hopes and dreams.

We look around in wonder
At the work that has been done,
By the vision of our father,
Touched by his loving son.

All we are trying to say is
We are all we've got
You and me just cannot fail
If we never ever stop.

All we are trying to say is
We are all we've got
You and me just cannot fail
If we never ever stop.

You and me just cannot fail
If we never ever
Never ever
Stop.
