

The Motorhomes, Don't Die Young

They're coming to take you home
To lead you through the endless night
They're coming to keep you warm
To break the silent barriers
Come on out
You're not lonely now
Set the speed, that you need
To come back to me
Back to me
I don't know what you have seen
Where your empty eyes have been
You know where you want to be
Where the screams can't get to you
Come on out
You're not lonely now
Set the speed, that you need
To come back to me
Back to me
