

# The Motorhomes, End of the World

The end of the world was announced some time ago  
But the closer it gets less it seems you want to know  
The end of the world was it all, all I could get  
I wasted my time, feel no remorse, have no regrets  
Leave me here where I belong  
All heroes are gone, stayed here too long  
Leave me here, I'm on my own  
With the greatest pain I've ever known  
A second hand man with no plan, nothing to do  
I've gone out of style, have no chance to keep up with you  
Leave me here where I belong  
All heroes are gone, stayed here too long  
Leave me here, I'm on my own  
With the greatest pain I've ever known  
Leave me here where I belong  
All heroes are gone, stayed here too long  
Leave me here, I'm on my own  
With the greatest pain I've ever known
