

# The Motorhomes, Question

I love the modern age  
I love the modern age  
Rock is glam  
Bombs burst in the air  
I love the modern age  
I love the modern age  
Rock and roll  
And the superbowl  
You gave us Elvis and the A-Bomb  
Now you can shine a light on everyone  
I love the modern age  
I love the modern age  
Neon lights  
Human rights  
I love the modern age  
I love the modern age  
I love the way they say  
Be like us or we'll blow you away  
You gave us Elvis and the A-Bomb  
Now you can shine a light on everyone  
I'm going to race you into space now  
Now I can shine a light on everyone  
I'm going to race you into space now  
I'm going to race you into space now  
I'm going to race you into space now  
I'm going to race you into space now  
I'm going to race you into space now  
I'm going to race you into space now  
Now I can shine a light on everyone
