

The Motorhomes, Slip Away

I'm getting sick of doing everything over again
It's getting hard and I know it, things are gonna stay the same
And you won't change as I won't change and that's not strange at all
As things are going we've got nothing left to gain
It's all gone out of our hands and there's no one to blame
Cause we didn't mean it
We didn't want it this way
Just let it slip away and things might be ok
Let it slip away
Let it slip away
We could go lying, saying everything's alright
But either way we'll know our hope's gone out of sight
The more we'll try the more our lies will keep us where we are
The way we were is not the way it's gonna be
It's all gone clear now and I hope that you will see
That you won't change as I won't change and that's not strange at all
Just let it slip away and things might be ok
Let it slip away
Let it slip away
Just let it slip away and things might be ok
Let it slip away
Let it slip away
