

# The Motorhomes, Slip Away

I'm getting sick of doing everything over again  
It's getting hard and I know it, things are gonna stay the same  
And you won't change as I won't change and that's not strange at all  
As things are going we've got nothing left to gain  
It's all gone out of our hands and there's no one to blame  
Cause we didn't mean it  
We didn't want it this way  
Just let it slip away and things might be ok  
Let it slip away  
Let it slip away  
We could go lying, saying everything's alright  
But either way we'll know our hope's gone out of sight  
The more we'll try the more our lies will keep us where we are  
The way we were is not the way it's gonna be  
It's all gone clear now and I hope that you will see  
That you won't change as I won't change and that's not strange at all  
Just let it slip away and things might be ok  
Let it slip away  
Let it slip away  
Just let it slip away and things might be ok  
Let it slip away  
Let it slip away
