

# The Muffs, Keep Holding Me

Keep holding me  
Keep holding me  
Keep holding me now boy  
Keep holding me  
Keep holding me  
Keep on holding me now boy

When you're holding me so tight  
I will always feel the same  
Keep on holding me all night  
Then I'll never be insane

Keep on holding me so tight  
Keep on holding me all through the night  
Keep on holding me so tight  
Keep on holding me all through the night (so)

Keep holding me . . .

When I see you go away  
I will never be the same  
Keep on holding me today  
Then I'll never be insane

Keep on holding me so tight . . .

Keep on holding me so tight . . .

Keep holding me . . .

Keep on holding me now boy  
Keep on holding me now boy
