

The Muffs, Not Like Me

Doing everything I can
And I'm feeling okay
Oh yeah
But whenever you are near
I want to run away
Oh yeah

Whenever I come alive
It seems that you are dead
Could you ever take the time
And be a man and say
You are not like me (4x's)

And if you should ever go
Away another day
Oh yeah
There might be a world of me
And I won't be afraid
Oh yeah

Doing the impossible
Where I could never win
And I know what you're thinking

.....

You are not like me (4x's)

(Repeat First 2 Verses)

Me me me me me me yeah
Me me me me me me yeah
