

# The Muffs, Not Like Me

Doing everything I can  
And I'm feeling okay  
Oh yeah  
But whenever you are near  
I want to run away  
Oh yeah

Whenever I come alive  
It seems that you are dead  
Could you ever take the time  
And be a man and say  
You are not like me (4x's)

And if you should ever go  
Away another day  
Oh yeah  
There might be a world of me  
And I won't be afraid  
Oh yeah

Doing the impossible  
Where I could never win  
And I know what you're thinking

.....

You are not like me (4x's)

(Repeat First 2 Verses)

Me me me me me me yeah  
Me me me me me me yeah
