

# The Muffs, Pennywhore

You're a maybe  
When you want someone  
A baby when you're not the one  
Oh baby you're just a pennywhore

You cry big  
When you want some fun  
And lie, pig, for anyone  
Oh baby you're just a pennywhore

You can do it so much better  
All your life a real homewrecker  
All your life a real homewrecker  
Coming out the door

(Repeat First Verse and Chorus)
