

The Muffs, Saying Goodbye

I've got better things to do
And better things to listen to
Than all your ranting and raving on me
It's all of the time now
And it's too late for you to find reality here

Now I want you out of my life
What they say is you're outta your mind
I regret the days gone by
And all my alibis
It makes me want to cry
But you're out of my life
What'd I say?
I'm saying goodbye, yeah

No matter what you say
No matter what you do
I'll always have a low opinion of you
I've finally done it
And it's too late for you to try and make up with me

(Repeat Chorus)

Now I've got you out of my life
And I've got you out of my mind
I regret the days gone by ...
