

# The Music, The Rain

Right now I'm crying out for someone  
I feel it more than ever  
If there is no-one that can show me  
How am I to learn from my mistakes?

Cause there's nothing I can't do to stop the violence  
Well there's nothing I can do to stop this pain  
Cause I'm nothing without you  
We're nothing without you

Well there's nothing I can do to stop the rain

Our island's calling out for someone  
Our words they are marching for us  
How I am falling like a broken cloud  
But now the sun has burned into my eyes

Cause there's nothing I can do to stop the violence  
Well there's nothing I can do to stop this pain  
Cause I'm nothing without you  
We're nothing without you

Well there's nothing I can do to stop the rain  
Cause there's nothing I can do to stop the violence  
Well there's nothing I can do to stop this pain  
Cause I'm nothing without you

We're nothing without you  
Well there's nothing I can do to stop the rain
