

# The Music, Treat Me Right On

I saw my sister  
I saw my sister  
I saw my sister  
When I was seventeen  
Didn't want me to see her  
Or what was in-between  
Never ever stood  
Or let through the passing of life  
I took her aside  
And let her decide

We can wait all night  
As long as no one looks at us  
Did I never tell you one thing nice  
Or never ever let you go  
Didn't understand her thoughts  
Or let through the passing of life  
I never thought I would take her aside  
And let her decide

Treat me right on  
Treat me right on  
Woooooaaaahhhh  
Woooooaaaahhhh

Blue moon baby,  
Don't you let your tears be stained  
Blue moon baby,  
Don't you let your tears be stained  
Blue moon baby,  
Don't you let your tears be stained  
Blue moon baby,  
Don't you let your tears be stained

Treat me right on  
Treat me right on  
Woooooaaaahhhh yeaahh  
Woooooaaaahhhh yeahhhh  
Woooooaaaahhhh...

Woooooaaaahhhh yeaahh  
Woooooaaaahhhh yeahhhh  
Woooooaaaahhhh yeahhhh  
Woooooaaaahhhh  
Woooooaaaahhhh  
WOOOOOOOAAAAAAAAAAHHHHHHHHHHH!

Treat me right on,  
Treat me right on,  
Treat me right on,  
Treat me right on...
