

# The Naked Brothers Band, I Could Be

I could be anything I wanna be  
I could be anything I wanna be  
Like a bird flying up in the tree  
Like a bee stinging for honey

I could be anything I wanna be  
I could be anything I wanna be  
Like a fish swimming in the sea  
Like a copy of someone like me

I could be  
I could be

I could be  
I could be

I could be anything I wanna be  
I could be anything I wanna be  
Like a rapper for example Jay-Z  
Like a skateboard prodigy

I could be  
I could be  
I could be  
I could be
