

# The Naked Brothers Band, Run

Run, run, run, you can't run any faster,  
Run, run, run you're dying of laughter,  
Run, run, run, i know you can't run from yourself (X2)

You can run from almost anything,  
Birds, cats, cars and machines,  
Fools... and death,  
But one thing you can't run from, yeah,  
One thing you can't run from,  
One thing you can't run from is yourself!

Run, run, run, you can't run any faster,  
Run, run, run, you're dying of laughter,  
Run, run, run, I know you can't run from yourself, (X2)

Run from yourself,  
Run from your say-ay-ay-ay-ay-If

Run from yourself,  
Run from your say-ay-ay-ay-ay-If

Run, run, run, you can't run any faster,  
Run, run, run, you're dying of laughter,

Run, run, run I know you can't run from yourself,

Run, run, run, run, run, run r-r-r-r-run,

Run, run, run,  
I know you can't run from yourself.

I gotta run, gotta go, gotta run, gotta go.  
I gotta r-r-r-r-run, run, run, run, run, run, run...

Run, run, run you can't run any faster,  
Run, run, run, you're dying of laughter,  
Run, run, run I know you can't run from yourself,  
Run, run, run (X4)  
Run, run, run gotta run... wow!  
R-r-r-r-run, wow!
