The Network, Transistors Gone Wild

This is age of make-believe Or a reality series Television, murder city Dreaming of tomorrow Am I alive or fantasy? Give me murder give me loss Turn the cities into dust man My brain is melting And it smells like a volcano Japanimation surgery Drinking nuclear energy Reservoir spewing toxic Shout! There's no tomorrow Drinking nuclear energy Give me murder give me loss Turn the cities into dust man My brain is melting And it smells like a volcano Give me murder give me loss **Transistors** Transistors gone wild
