

# The Nightwatchman, The Lights Are On In Spidertown

Stand back stormtroopers attack  
On a bright May Day, man I'm gettin' soft  
I don't know what do you think?  
Looks like 10 fat pigs at a 9 pig trough  
And the lights are on in Spidertown  
Sittin' back of the class  
Iron chains, lead weights, taugt rope  
Holdin' down my will  
I don't know what do you think?  
I say we do anything just to take that hill  
And the lights are on in Spidertown  
The sky is falling down, falling down  
The sky is falling down  
The world's stopped turning, turning 'round  
And the lights are on in Spidertown  
Silent night and the wind crashes right  
Put a wig on the heiress rob the bank and pray  
I don't know what do you think?  
Please don't do as I do just do as I say  
'Cause the lights are on in Spidertown
