## The Nitty Gritty Dirt Band, I've Been Lookin'

I've been lookin' for a love Someone to hold as I lay sleeping I'm not talking about someone who's scared of promises or keeping 'em I'm just looking for a love to stand the test of time I've been lookin' for someone to be all mine

I had too much lonely I need a one and only Someone I can care about and call my own Well in true tradition Without an intermission We'll still be together when the kids are grown.

I've been lookin for a love Someone to hold as I lay sleeping I'm not talking about someone who's scared of promises or keeping 'em I'm just lookin' for a love to stand the test of time I've been looking for someone to be all mine.

I've been lookin for a love Someone to hold as I lay sleeping I'm not talking about someone who's scared of promises or keeping 'em I'm just looking for a love to stand the test of time I've been looking for someone to be all mine.

I've been looking for some one to be all mine. I've been looking for some one to be all mine. I've been looking for some one to be all mine.

I've been lookin for a love Someone to hold as I lay sleeping I'm not talking about someone who's scared of promises or keeping 'em I'm just looking for a love to stand the test of time I've been looking for someone to be all mine.
