

The Nitty Gritty Dirt Band, The Rest of the Dream

You were a tiny spark caught in your parents eyes and when they made love in the dark well you w
Ept you warm like no other arms can do til the light of the day was as bright as it seems and you kn
Ream was true until you opened my eyes and I will come through give my very best for you and yo
N our hearts we're living the rest of the dream now I see a tiny spark caught in your loving eyes as

Ughter just for you and your mama's arms will keep you warm like no other arms can do when you
The light of the day is as b
Right as it seems repeat chorus
