

# The Noisettes, For All We Know

For all we know we may never meet again  
Before you go make this moment sweet again  
We won't say "Good night" until the last minute  
I'll hold out my hand and my heart will be in it  
For all we know this may only be a dream  
We come and go like a ripple on a stream  
So love me tonight; tomorrow was made for some  
Tomorrow may never come for all we know  
So love me tonight; tomorrow was made for some  
Tomorrow may never come for all we know
