

The Notwist, Gone Gone Gone

When it's come to say goodbye
to all your cousins
cause they'll never let you go
this far alone

when it's come say goodbye
to all these cousins
cause they'll never let you go
this far alone

when it's come say hello
to all these others
cause they'll never let you go
this far alone

when it's come say hello
to all those others
cause we'll never let you go
this far alone

gone gone gone gone gone gone
we will never let you go
gone gone gone gone gone gone
we will never let you go
i will never let you go
