

The Offspring, Cool To Hate

I hate a lot of things
I hate a lot of people that are lame
I like to hate stuff
Cause then I don't have to try and make a change
I hate teachers
I hate school
I hate the cheerleaders
And anyone who's cool
I hate the office
I hate the Quad
Don't wanna learn nothing
I want to be a slob

It's cool to hate
It's cool to hate
I don't like nothing and I like that fine
It's cool to hate
It's cool to hate
I don't like nothing and I like that fine
I don't like nothing and like that fine
Yeah I hate everything
I even hate you too
So fuck you

I'm always thinking bad
I never have nothing good to say
I'd rather tear things down
Than build them up
It's easier that way
I hate the jocks
And I hate the geeks
I hate the trendies
But I also hate the freaks
I hate Dr. Martens
And Muscle T's
I'm only happy when I'm in my misery

It's cool to hate
It's cool to hate
I don't like nothing and I like that fine
It's cool to hate
It's cool to hate
I don't like nothing and I like that fine
I don't like nothing and like that fine
Yeah I hate everything
I even hate you too
So fuck you

I'll cut you down and give you lip
Being positive's so unhip
I'll cut you down cause I'm a fool
Being positive's so uncool

I hate the jocks
And I hate the geeks
I hate the trendies
But I also hate the freaks
I hate your band
And I hate TV
I'm only happy when I'm in my misery
