The Offspring, Falling

Falling, I'm falling

Have you ever walked through a room

But it was more like the room passed around you

Like there was a leash around your neck that pulled you through

Have you ever been at someplace

Recognizing everybody's face

Until you realized that there was no one there you knew

Well I know

Some days, my soul's confined and out of mind

Sleep forever

Some days, I'm so outshined and out of time

Have you ever

Falling, I'm falling

Have you ever buried your face in your hands

Cause no one around you understands

Or has the slightest idea what it is that makes you be

Have you ever felt like there was more

Like someone else was keeping score

And what could make you whole was simply out of reach

Well I know

Someday I'll try again and not pretend

This time forever

Someday I'll get it straight but not today

Have you ever

Falling, I'm falling

Some days, my soul's confined and out of mind

Sleep forever

Some days, my darkest friend is me again

Have you ever

Someday I'll try again and not pretend

This time forever

Someday I'll get it straight but not today

Have you ever

When the truth walks away

Everybody stays

Cause the truth about the world is that crime does pay

So if you walk away Who is gonna stay

Cause I'd like to think the world is a better place

When the truth walks away

Everybody stays

Cause the truth about the world is that crime does pay

So if you walk away Who is gonna stay

Cause I'd like to make the world be a better place

When the truth walks away

Everybody stays

Cause the truth about the world is that crime does pay

So if you walk away

Who is gonna stay

Cause I'd like to think the world is a better place

I'd like to leave the world as a better place

I'd like to think the world
