

# The Offspring, Feelings

Feelings  
Nothing more than feelings  
Trying to forget my  
Feelings of hate

Imagine  
Beating on your face  
Trying to forget my  
Feelings of hate

Feelings  
For all my life i'll feel it  
I wish I'd never met you  
You'll make me sick again

Feelings, oh oh feelings  
Of hate on my mind

Feelings  
Feelings like I never liked you  
Feelings like I want to kill you  
Live in my heart

Feelings  
Feelings like I wanna deck you  
Feelings like I've gotta get you  
Out of my life

Feelings, oh oh feelings  
The hate's in my eyes

Feelings, oh oh feelings  
You're not very nice
