The Offspring, Special Delivery

Hey now do you see me down the way Been watching you everyday In my car on your street is where I stay I know you better that way One day I'll be meeting you for real You'll feel bad like I feel

It'll blow you away - You're gonna fall for me And the voices told me To blow you away - You're gonna fall for me

Hey now well I'm knocking on your door This special delivery is yours My infatuation it's true Hello, I got something for you

It'll blow you away - You're gonna fall for me And the voices told me To blow you away - You're gonna fall for me If you hadn't sold me I'd still be away - You're right in front of me Then, I'll be on my way Breathing you okay

Can't break from my sins Cannot pray

But you can't kill a man when he's got no hope You can't kill a man when he's got no hope
