

The Ordinary Boys, Nine

I wake up late every morning
Managers calling
i'm still yawning
Get up
Wake up hair and make up
waiting for you
don't be stalling
This performance is important
I don't think i can put my all in

oh my god i was drunk last night
Now it is all kicking in
And i don't feel right
And a number in my brain
Who wasted my time
now my phones on silent
i'm here for life

Private call is getting no love from me
just let me be
Oh my gosh
My dayz are gettin' longer
And theres no turning back
I'm working nine2five
Just to keep my contract
Did i say nine i ment 1.30 ie
