

The Other Ones, Stay With Me

I'm in your bedroom
And I can't breathe anymore
As you undress
And prepare to walk out the door

I don't want to sail away
Forever

You wear red leather
And drink red wine, so sublime
You spread your feathers
Leaving me far behind

I don't want to sail away
One day you'll understand

CHORUS
Stay with me
It's not forever, darling
Rescue me
Stay with me
It's just my heart that's calling
Rescue me

My mind goes empty
And you begin to leave down the hall
You live and love
But you don't care anymore

I don't want to sail away
One day you'll understand

CHORUS

CHORUS

Rescue me
Rescue me
